Enjoy total freedom – wander the islands at your leisure, with no fixed itinerary. Follow your whims, on your own schedule.

Maybe you want to linger on a picture-perfect, deserted sandy beach

and wade through the waves. Or perhaps you'd like to island hop with an occasional stop on shore for a spot of shopping or dining.

And nothing can compare with sailing full out, wind in your hair,

accompanied by a local pod of dolphins racing at your side. With waters so blue and so clear, you can see the dazzling display of coral reefs and tropical fish in all their grandeur.

Freedom. Privacy. Exclusive use of your time, on your terms. Luxurious accommodations and first-class service. This is what sets Clasship-1 apart from the others. *This is where you find Classic Nautical Luxury – at its finest.*
